MESSAGE FROM THE PRESIDENT

By Rick Santos

Hello everyone and welcome to the LAPRAAC 2018/2019 fiscal year. I look forward to serving all of you as your LAPRAAC President. This is going to be an exciting year. I would like to thank everyone who voted in this past election. It is

important to take advantage of the opportunity to have a say in who sits on your Board. Welcome back to newly elected Director Tim Colomey. Tim had previously served the membership before taking a short break, only to once again run and win a spot on the Board. Also back is Ruben Gonzalez who was re-elected for a second term. Both Directors bring a lot of knowledge and enthusiasm to the Board. The 2018/2019 Board members are filled with excitement and enthusiasm and look forward to serving all of the LAPRAAC membership.

This year we will say goodbye to the Westgate Las Vegas

Resort and Casino. For the past several years the Westgate has been home for the B2V Race. Not only is this the last year at the Westgate, but it is also the last year for our Race Coordinator, Chuck Foote. Chuck is one of the co-founders of Baker to Vegas and will be missed.

2018/2019 promises to be a year filled with more events for our membership. Coming in September is our 9th Annual Top Gun Challenge. This is an outstanding shooting competition hosted at the EP Academy. Also in September is the Law Enforcement Tailgate BBQ at the EP Academy Picnic

Area & Field. This was a great event last year and looks to be even better this year. These are just a few events already scheduled for this coming year. Please come out and join us at our events.

Your Board is always looking for ways to make LAPRAAC even better than what it is. If you have any suggestions on events you would like to see please do not hesitate to send me an email with your suggestions. My email is rick.santos32900@icloud.com. All of us on this Board are here to serve you. May you all enjoy what 2018/2019 has to bring.

WELLNESS CORNER - *Organic Foods: Are they better for you?*

By Alex Barragan, Assist Ath. Director

In general, organically grown foods are grown in soil enriched with organic fertilizers, rather than synthetic fertilizers, and treated only with nonsynthetic pesticides. Organic farms use a soil-building program that promotes vibrant soil and healthy plants, usually including crop rotations and biological pest control. At present, the job regulating the organic farming industry is left up to the states. The states vary in their enforcement of regulations and their oversight of

organic farming, and not all states have instituted organic programs or statutory definitions.

Advocates of organic foods claim that they are more nutritious and present fewer of the health hazards associated with pesticides contamination. In general, this argument does not seem to hold up. Some surveys find similar pesticide levels in both organically and conventionally grown foods. Even when organic foods are grown according to certification standards, contaminated runoff water, contaminated shifting soil, and airborne pesticides may still result in pesticides being present on food. Organically grown food does not have greater nutritive value than food grown with conventional methods. The soil nutrients from natural fertilizers are no different from the nutrients in chemical fertilizers made in

factories. The genetic make-up of the food will also determine that particular food's nutrient content and needs.

The freshness of organic foods may also be questionable. In many states, an efficient production, distribution, and retail sales system is not in place for organic produce, and the slow movement of the produce from field to market may permit wilting and nutrient losses.

Organically grown produce costs much more than its conventionally grown counterpart. Depending on supply and demand, the difference can be quite significant.

Organic farming methods are less harmful to the environment than conventional methods. The use of natural products helps to improve the soil. Organic pest con-

trol generally relies on preventive measures such as crop and biological controls. These methods place little to no stress on the earth or its wild life inhabitants.

Another reason to choose organic foods: There is a difference in the pesticide content of produce grown outside the U.S. Their regulations are not at all like ours, and we hardly have enough inspectors at the borders to catch everything that doesn't meet our standards.

In the end, the choice is yours. Purchasing organic foods is not just a nutritional issue but a political and social issue as well. Nutritionally speaking, it's clearly important to eat a variety of foods to ensure a balanced nutrient intake and to lessen pesticide contamination from any one source.

Board of Director Elections

The election results for the 2018/2019 LAPRAAC Board of Directors are in, and the winners are Tim Colomey, Ruben Gonzalez and Rick Santos. We thank you for your participation in the election. In addition, at the Board Meeting immediately following the election, the Board of Directors voted to establish Officers of the Board for the 2018/2019 Term. Below is your 2018/2019 LAPRAAC Board of Directors.

Recent Events

Our 2nd Annual Equipment Expo took place on August 4th. This event featured numerous vendors as well as the live fire experience. What is live fire experience? Firearms vendors such as Springfield, STI, CZ, Ruger and numerous others brought their guns for the participants to test – live! Yes, they actually got to shoot them. We even had full auto firearms! This year we added an additional twist, we held a sidewalk sale with discounted merchandise and a firearms auction. Yes, we actually auctioned off numerous firearms starting with great opening bid prices.

Upcoming Events

We have three events coming up on us very soon. If you are

a shooter or a Dodger fan you will not want to miss these.

First up, Dodger's Law Enforcement Night BBQ on September 17th. Food, fun, games and giveaways! Last year over 300 people attended and loved every minute of it. Sponsors, vendors, a BBQ meal and beverages topped off with some games, giveaways and good association. Wear your Dodger Blue and join us at the Academy for a fun and family friendly evening.

The second event is our **9th Annual Top Gun Team Challenge** on September 29th. If you have ever competed in this event you know what a great day this is. At least four courses of fire and a lot of prizes. Teams of four compete for the top spot in the Patrol or the Open Category. What is the

difference you ask? In simple terms, competitive and specially trained shooters compete in the Open class and everyone else competes in the Patrol class.

The third event is a new one for us. It is our inaugural Striker Fire Shooting Competition. We have not finalized the date yet, but it looks to take place in November or December of this year. This competition has a little bit of a twist to it. You bring your favorite type of striker fired firearm such as a Glock or a Smith and Wesson. Then you compete in the competition. The best shooter overall, of course, wins. But, there is a twist on this; you will also compete to be the best shooter for the gun manufacturer of which gun you are shooting. For example, if you shoot a Glock, even if you do not win the overall match, but you are the best Glock shooter; you would be Glock's Striker Fire winner. Of course there will be prizes for the winners as well, so take a shot (pun intended) and have a good time at this new event.

We thank you for your continued membership and participation in LAPRAAC Events.

Food Service Director

Café Menu

I'm excited to launch new food items in our café menu. Summer is here, and more seasonal favorites in our café and catering menu. Don't worry, your favorite items will still be available, such as, our Clam Chowder Soup, Turkey Club Sandwich and Academy Burger. By mixing up the menu will be a great way to capture the season and all its flavors.

Weekly Specials

For some time now we have been having weekly specials. This has given me the opportunity to be creative and spice things up in the café, which I hope you have been enjoying. From a Loco Moco to Chicken Enchiladas, all our menu items are made to order by our talented cooks. We take pride in providing you with quality fresh ingredients and giving a unique experience in the LA area. You can find our weekly specials in the LAPRAAC website under the café & catering tab, call us, or stop by our café and you can find it by our window entrance.

Peet's Coffee

In need of a coffee jolt? Stop by Peet's Coffee and grab an exquisite Espresso shot or one of our Seasonal Coffee Specials made by our barista.

The warm and sunny weather is here, and what a better way to match it with a delicious Infused Iced Tea, a Tropical Green Tea with Raspberry Extraction or Mango Hibiscus. These new additions will definitely light up your day!

We want to hear from you!

Do you have any comments and suggestions? We just introduced Voice of the Consumer. In this program we encourage our guest to give their opinion of our day to day operations, menu choices, customer service, and or any other ideas or suggestions you may have. Please feel free to let us know how we are doing or any new specials you will like to see, and have the opportunity to win a prize.

Dodger Blue

Show us your Dodger ticket and receive a 10% discount in

the café. Come in and enjoy one of our BBQ's and Taco tailgating fiestas we will be having in our front entrance patio during Dodger Blue Season.

Catering

Our catering menu has been improved and will include a better selection of seasonal menu options. Some of our catering favorites are the Academy BBQ Buffet, Stuffed Chicken Entrée and Smoked Tri-Tip. Our meat is smoked in house by the talented Executive Chef Michael Quezada and Teodoro Cervantes. We have a great team that works hard to deliver the best event experience possible for our clients. We offer a full bar with a great liquor selections. Our rock star bartender Nicole Herman can create unique and crafted drinks that will burst your senses.

MESSAGE FROM THE B2V RACE DIRECTOR

By Ruben Gonzalez

so the bar has been set high for me as well as for the teams competing.

The 35th running of the Baker to Vegas race will be held on March 23rd and 24th and promises to be a great one. We are anticipating close to 300 teams so please keep checking the website, www.bakervegas.net for updates.

As of this writing, we are working on setting the dates for the Team Captains meetings. We anticipate releasing those dates in early to mid-August.

The 2019 race will again take place during March Madness. I

strongly suggest you book your rooms early at the Westgate Hotel as rates will skyrocket once our room block has sold out. This will be the last race that will finish at the Westgate Hotel, and, most importantly, it will be Chuck Foote's last race as the Race Coordinator. We owe a tremendous amount of gratitude and respect to Chuck for what he has done with the race so make plans to be at the finish line and awards ceremony so we can send him off the right way.

I would like to thank LAPRAAC President Rick Santos for giving me this opportunity. I have been surrounded with a great

committee that has years of B2V race knowledge and together we promise to make this year great and make the transition to The Rio Hotel in 2020 a smooth one.

If you see me walking the grounds at Elysian Park please feel free to stop me and say hello. I am always interested to hear from the members and race participants to address your concerns or thoughts and ideas on how we can improve the race. I am also available via email at rgonzalez@lapraac.com

Greetings,

It is a great honor for me to be the 2019 Baker to Vegas Relay Committee Chairman. Last years race was unbelievable with records being set and no major race day issues

NEWS FROM THE ATHLETIC DEPARTMENT

LAPD Baseball Defeat NYPD for First Time in a Decade

By Michael Scott

Very Proud of our LAPD Baseball Team! We played 5 games in 3 days, 2 doubleheaders, in 110+ degree weather in Vegas. We were 2 and 1 going into the playoffs. Loss to NYPD 4-3 in extra innings, won against Philadelphia PD 5-4, and won against Bakersfield PD 11-5. In the playoffs we were seeded #4 with a 2-1 record vs. #1 seed NYPD with a 3-0 record.

We defeated NYPD 13-4 to advance to Championship Gold Medal game vs. Chicago PD, who defeated Philadelphia 8-6 in their playoff match up.

In the Championship Gold Medal game we ran out of gas and loss to Chicago 13-5

to take the Silver Medal for 2nd place!

It was a great tournament! Extremely competitive, and extremely hot! The camaraderie amongst the Police teams is incredible and fun to watch!

Our LAPD Baseball Team is always seeking quality, experienced officers to join their squad. We play and host events all year. Next year we will host our 3rd Annual Tim Moss Wild Wild West LAPD Invitational, with police and fire teams coming from around the Country to compete against us. For more information or to inquire about trying out call Officer Michael Scott at 818-912-0561. www.lapdbaseballteam.com

LAPD SHOTGUN MANIACS CAPTURE GOLD AT THE U.S. GAMES

By Jimmy L. Trahin, #16387

The broken pieces from each and every claybird was a very welcome sight this year when the LAPD Trap & Skeet Team competed in the U.S. Police & Fire Championships. The three day marathon shoot was held at the Clark County Shooting Complex in Las Vegas in late May where the weather conditions were absolutely pure HELL. Temperatures exceeded 90 degrees every day with off and on gusting "breezes" of 20-25 mph. Remember Hitchcock's horror movie "The Birds".....well that's how those fiendish claybirds were flying....EVERYWHERE!

No matter. Five dedicated dinosaur era officers were up to the challenge and nothing, but nothing was going to stand in their way. Those brave souls that competed with unwavering honor included GREG DEWITT #17690, PETE RAZAN-

SKAS #17486, DAVE HERRICK #16272, WALT ALLEN, and yours truly, JIMMY TRAHIN #16387.

On the first day of trap, the squad took the team gold medal in trap doubles & the bronze in both 16

finished the tournament with a team bronze in sporting clays.

Individually, everyone took medals. Greg DEWITT : silver in trap doubles; Pete RAZANSKAS: silver in both singles & doubles skeet & a

doubles skeet, & a bronze in HOA skeet; and Jimmy TRAHIN: bronze in trap doubles & a silver in sporting clays. With the intense competition that we faced we were very satisfied and thankful with the final tally. Congrats to the team....a well deserved victory!

It's been a memorable year and we took a sizable number of medals for LAPD in every competitive event that we entered. We especially thank LAPRRAC for their continued support and we're hoping for another successful season next year.

It's now time for us to rest our weary shoulders and bones and reminisce about our past accomplishments during the past several months.

LAPD WOMEN STRIKE GOLD

The LAPD Women's Basketball Team continues their dominance in the USPFC by winning the gold medal. They dominated their opponents by winning their games by over 20 points. It was a total team effort by all 12 players who each did their part to ensure the team was successful. It was also a celebration for team member Leslee Rogers returning to the court after defeating cancer. We are very fortunate to have Coach Randy Quan join our team and lead us to victory. If you are interested in trying out or just training with our team please contact Sergeant Celina Robles at (562) 900-8497 for our training schedule and upcoming tournaments.

UNITED STATES
POLICE & FIRE
CHAMPIONSHIPS

LAPD TENNIS REMAINS DOMINANT

By Jimmy Lavenson

Last year your LAPD Tennis Team showed their dominance over police and fire departments from all over the country. The team represented the department well and brought home numerous medals in the LA 2017 World Police & Fire Games. It was an honor and a privilege having Chief Beck come out and support the star-studded group of athletes. Although the team accomplished many goals, there was work to be done and hours of training to reign supreme in the 2018 US Police & Fire Championships.

The tennis team traveled to San Diego this past month and was lucky to compete at the Barnes Tennis Center, a world class USTA tennis facility. The weather was great, the facility was off the charts, and the friends and family who came out and supported all the athletes were truly amazing. Our motto "Stay ready and you don't have to get ready" was in full force. The team's practice, training, USTA league play and tournaments clearly made this team a cut above the rest. It was a fantastic event, on the courts and off, as it showcased the true spirit of sportsmanship.

As the tournament coordinator, this was an easy, fun and rewarding tournament to run with no issues. The team and I would like to thank Edmund Russell, Director of the California Police Athletic Federation, for his hard work and continued support. Thank you LAPRAAC for your support - we are able to field teams to compete with the help of your sponsorship.

We continued to have fantastic results in the 2018 Games with eleven total medals, and remain the most dominant team in the Country. The core group competed valiantly with many long and tough battles. **Sonny Romero** took home the Gold in men's 40 singles and Gold in men's 30 doubles with **Scott Vostad**. **Scott** also brought home a Bronze in men's 40 singles after a couple of long battles where he displayed his mental fortitude and got the job done. **Daryl Maxwell** brought home a Silver in men's 50 singles and finished just off the podium in doubles. **Mike Margolis** got his first taste of the USP&FG's and took a Bronze in men's 50 singles. **Bruce Barrios** has been the gate keeper of the department's Tennis Team for well over... well since, a long time. Bruce or as his past recruits refer to him as El Diablo, continues to amaze – bringing home two Golds. He won the men's 60 singles and the 50 doubles with **Jimmy Lavenson**. **Jimmy** got lucky in a hard-fought final that could have gone either way to win Gold in men's 50 singles, Gold in men's 50 doubles with Bruce and took a Silver in mixed doubles.

As this team continue its long history of success, we welcome any new or returning players. If you are interested in representing our beloved LAPD on the tennis courts please contact **Sonny Romero #37093** or **Jimmy Lavenson #30627**.

If you would like more information on the team's charity work, please email Sonny or Jimmy.
